

# RULES FOR VISITORS

## VISITS FOR PERSONS WITH NEGATIVE SELF-TEST ALLOWED

- Access only with a negative corona self-test, regardless of the vaccination status.  
Rapid test: valid 24 h
- According to nationwide orders, visitors and patients (as far as possible) must wear an FFP2 mask during the entire visit.
- Visitors may not manifest any influenza or cold symptoms.
- Visiting time: Between 2 and 7 p.m., max. 90 minutes.
- One visitor is allowed per day and patient. This person must have been registered as the fixed contact person. An identity document is necessary for controls.
- In a multi-bed room, only one patient may receive visitors. Visitors for the other patient must wait outside the ward.

**If the rules are not complied with, Ingolstadt Hospital reserves the right to proclaim a ban on visiting.**
